2024 Workbook Package and Voluntary Contribution

Early Stage 1: KM, KR & KD

Dear parent/carer

In 2024, we have combined our workbook package with our voluntary contribution for the school year. Your child will be using the following resources. These materials are considered to be essential for your child's educational program and after purchase they will be used under the direction of the teacher, but become the personal property of your child. We will not be asking you to purchase any textbooks. Instead we are asking for assistance in paying for paper and photocopying costs. These are costs which many schools have historically passed on regardless, but in our case, they will replace the cost of the textbooks:

<u>ITEM</u>	<u>COST</u>
Photocopy Levy	\$25.00
Hatching Chicks	\$ 7.00
Life Education Van	\$ 7.00
Stationery (book covers, book labels, etc)	\$20.00
Total Workbook Package	\$59.00
Voluntary Contribution	\$40.00
Total	\$99.00

SCHOOL VOLUNTARY CONTRIBUTIONS: Each year the school relies on these funds to purchase quality teaching and learning resources to enhance educational programs. These resources become the property of the school and are used to benefit all students. Items purchased using these funds include reading kits, reference books, library books, science and social studies kits, PE and audio-visual equipment. Voluntary contributions are set by the P & C and this year the voluntary contributions will again be \$40.00 per child. If there are three or more children in the same family attending the school the voluntary contributions will be \$35.00 per child.

PAYMENT: In making these payments, we would like parents/carers to combine both amounts in the one payment, if choosing to pay the voluntary contribution. If parents/carers are not paying the voluntary contribution, please make payment for the workbook package only. **Please note payment by EFTPOS is available at the school office in the mornings, cash using the slip below, or preferably you can access the Sentral Parent Portal App for payment at any time.**
