Shellharbour Public School

Learning at Home Plan

Library / Geography

Term 2, Week 2

Mrs Harrison is currently reading 'Dark Emu' by Bruce Pascoe.

	EARLY STAGE 1	STAGE 1	STAGE 2	STAGE 3
Library	**Library (online)** Go to the Premier's Reading Challenge author interviews page Select and listen to some of the author videos suitable for primary students. OR **Library** Mrs Harrison wants to have a library mascot. She is going to buy a big teddy but will need to give it a name. Can you help me? Write down any good ideas for names you have and bring them with you when you come to school. I can't wait to see you in library.	**Library (online)** Go to the Premier's Reading Challenge author interviews page Select and listen to some of the author videos suitable for primary students. OR **Library**  Go to the website: Children's Book Council of Australia and look at the books nominated for book of the year in the Early Childhood category. Click on each one, have someone read to you the information about the book. When you have looked at all 6 books, put them in order from your favourite (number 1) to least favourite (number 6). When Mrs Harrison sees you at school, she will read you the books and we can share who we think should win book of the year.	**Library (online)** Have a go at this shelving game: http://www.mrs-lodges-library.com/play-shelver/ Log into the Premier's Reading Challenge website and update you reading log with any books you have read during isolation. **Remember to log off when you are finished.** OR **Library** Which character from a book do you think you are most in common with? Write an explanation justifying your choice. I think I am most like Hermione from the Harry Potter series because …… Try and give me 3 reasons and an example that supports each reason. Eg. I think I am like Hermione from the Harry Potter series because I am good at problem solving. When people have trouble putting flat pack furniture together and get stuck, they come and ask me to help them.	**Library (online)** Have a go at this shelving game: http://www.mrs-lodges-library.com/play-shelver/ Log into the Premier's Reading Challenge website and update you reading log with any books you have read during isolation. **Remember to log off when you are finished.** OR **Library** If you had to choose the top 10 books of all time, what would they be? Rank them in order from number 1 = best to number 10 = 10th best. Include title and author. If you would like to, you can also do the task from the stage 2 list (Which character do you think you are most like and why?)

Geography

A place is a space that we use. It can be many things like where you live, where you work or where you play.

Have a look at the map of Shellharbour below. Can you see our school?
What other places in Shellharbour can you see on the map?

If you can, search "Google Maps" and see if you can find your house.

Cloudy with a chance of meatballs?

Watch this clip
https://www.inquisitive.com/video/610-cloudy-with-a-chance-of-meatballs

Imagine if you could invent a machine that would make things fall from the sky.

Make a table with 2 columns.
In 1 column list **things that would be awesome if they fell from the sky** and in the other column list
things that would be terrible if they fell from the sky.

Where in the world is .....?

Watch the local or national news and record the names of any countries or cities mentioned.

Use an atlas, or the website Google Maps, or the Maps app on a phone to locate each of the places mentioned.

Mark each of the places on a world map. An example can be found at https://www.freeworldmaps.net/pdf/world/miller-world.pdf

Go to the Worldometer website.

Choose 10 countries in Asia (2 from each area of Asia). What is their current population? What is their population density? (How many people per square kilometre?)

Which country has the highest population density?
Can you find Australia's current population and our population density?
How do we compare to countries in Asia?
