

Shellharbour Public School – Stage 3 Mathematics Groups

Dear Parents and Carers of Stage 3 Students,
Stage 3 students have now been placed in their new 2020 Mathematics classes. These groups are to commence this Monday 3rd of February.

Throughout the year children will continue to undergo a series of regular Mathematics testing in order to ascertain if they are being challenged and are coping with the content being covered in their Mathematics group. As these groups are 'fluid' some children will change Mathematics groups throughout the year.

If you have any concerns please do not hesitate to see your child's Mathematics teacher.

Many thanks.

Rhonda Mosley and Selina Giles (Stage 3 Supervisors/ Assistant Principals)
