Year Six Clean Up Addison Street and Little Park

Dear parent/carer

On **Friday, 28 February 2020**, The Ministry for the Environment and The Ministry for Community Service will lead Year 6 students and their teachers along Addison Street to Little Park as part of their contribution to 2020 Clean Up Australia Day.

Students will participate in a workshop 'Choose the Right Bin, Don't just throw it in!' before being split into two groups and clean both sides of Addison Street. To conclude the event, we will celebrate with a well-deserved ice-cream in the park.

A clean up is a great way to inspire students to learn about the impact of rubbish on their local environment while playing an active role in their community. If you would like to join us in this event, we will be leaving the school at 1:15 pm.

Although the school will have some gloves, it would be appreciated if your child could bring a pair of gardening gloves to wear.

Selina Giles

Relieving Assistant Principal, Stage Three

Chris Klein

Principal
